Product Specification Brochure

# Plenti

A classic table range with infinite size options that can be specified across all working areas, from the individual workspace to team meetings, conferences, and executive offices.

When constructing a new space or conceiving a new piece of commercial furniture, flexibility and a wider range of possibilities should be high on the list of potential criteria.

The Plenti table range has been constructed to deliver on exactly this. Designed to flex to an infinite number of sizes, means no specials, just simplicity in specification. Built upon multiple options for sizings, finishes and power, the Plenti table range can completely cover the spectrum of table requirements.

The sheer breadth of options mean that Plenti tables can work in whatever way you want them to, from the boardroom to breakout spaces and work café areas.
